### How Does It Work?

As an Xsense Consultant, you'll share the best of bath, beauty, and relationship enhancement products through in-home parties. By selling the products and building a team, you'll enjoy the unlimited earning potential and flexibility that comes when you're the boss. See how it works.

### Money & Rewards

Life is too short to have to worry about when the next paycheck will come in. When you own your own business, you call the shots. You determine the number of parties you want to hold and how much money you'll make. From \$500 to \$2500 a month or more, you can make as much or as little as you need.

### Starter Kits

When it comes to starting a business, it is not a one-size-fits-all kind of thing. Our kits are totally custom. Your mentor will walk thru all products with you and you will create your own perfect kits following your preferences and budget

### Training & Support

We are here to reach your goals and offer the best services possible. You will be assigned to a mentor who will guide and train you and be there every time you have questions or need assistance.
